For Academic Year 2017/18

Dear Parent/Guardian,

Please familiarise yourself with the very important documents that are displayed on our school website as they inform students of the rules regarding examinations and coursework for this academic year. These documents can be found by selecting the following categories from the school's homepage – 'Academic' followed by 'Examination Timetables' and finally 'Candidate Information'.

If any of the rules are broken then the examination boards ***must*** be informed. The awarding body will decide on the appropriate penalty, which may include disqualification from ***all*** examination subject entries and students being barred from entering any further examinations for a set period.

Please ensure that your son is fully aware of all regulations and that he abides by them in both the submission of his coursework and when sitting examinations.

Yours faithfully,

Mrs. T. Bourne.

Mrs. T. Bourne,
Examinations Officer.
