Dear Parents/Carers,

Some important messages for you:

Year 10 Geography Field Trip

Well done to the Year 10 geographers who enjoyed a field day out in Seaford beachfront as part of their compulsory course work this week. Thank you to the staff members who took them on this trip.

Duke of Edinburgh Award

Next week 82 of our Year 9 students will be undertaking their Bronze Duke of Edinburgh Award expedition. We wish them well and hope that they enjoy some good weather.

Under 13 Rugby League Team

Congratulations to our Under 13 rugby league team who won the London Youth Games tournament. Having won the Sutton schools round, they went on to win all five of their games in the final tournament despite some heavy rain. Thank you to all the staff who have supported this group of players this season.

A special mention should go to L. Wilding who was selected as one of the six 'players of the tournament'.

Industrial Strike Action by the National Union of Rail, Maritime and Transport Workers (RMT)

The RMT are planning for industrial strike action on Tuesday 21st June, Thursday 23rd June and Saturday 25th June.

Students are asked to consider their journeys on the Tuesday, which will impact on Network Rail and the London Underground, and on the Thursday, which will impact on Network Rail but not the London Underground.

Uniform and Appearance

With the weather warming up, it is important that all students maintain the high expectations of uniform and appearance. Students are not to wear hoodies, jackets or hats on site. May I also remind you that earrings are not permitted to be worn and any piercing should be done during holiday time, with clear plastic studs worn when on site. We would encourage all students to bring water drinking bottles each day, but these should be used sensibly to maintain hydration.

Science Building

Our Science building re-opened this week after essential works were carried out during the half term break. Students should take note of the new signage indicating that there are parts of this older building where there is asbestos and should be mindful of this whilst moving around the building.
