Dear Parents/Carers,

## Warmer Weather

During this period of warmer weather, we want to ensure our students are well protected from the sun.

### *Before school:*

- Parents/Carers are encouraged to ensure students apply sunscreen before they come to school and to bring this with them in order to re-apply it when necessary. The school does not provide sunscreen due to allergies.
- Students should bring a bottle of water to school which can be re-filled.
- Students can wear their John Fisher School caps to help cover their heads during PE / Games lessons. Branded baseball caps are not permitted.

### *During school:*

- Students are encouraged to stay in the shade during their breaks.
- All of the school's water fountains are in use and bottled water can also be purchased from Harrisons Catering.
- Students have permission to remove jumpers/blazers. Shirts must continue to be tucked in and all other uniform expectations still apply.

The school will continue to monitor the weather and if excessive temperatures are forecast, then a further relaxation of the uniform could take place, to include the wearing of school ties.
