

The John Fisher School

Pupil Premium Report 2019/2020

Pupil premium is additional funding from the Government to help the school to improve the attainment of disadvantaged students.

Evidence shows that children from disadvantaged background:

- generally face extra challenges in reaching their potential at school
- often do not perform as well as their peers

The pupil premium grant is designed to allow schools to help disadvantaged pupils by improving their progress and the exam results they achieve. Further details of the background to the Pupil Premium grant can be found at the Department of Education's website:
