19<sup>th</sup> October 2017

Dear Parents/Carers,

## **Maths Revision Resources**

Many parents/carers have expressed an interest in purchasing revision resources, so we have put together a few things that we feel will be helpful. These can be bought in many places, e.g. WHSmiths, or online but by buying in bulk, we get a better discount. All of the resources listed below will be available on ParentPay. The order will be placed after half term so you will have until the end of October to select any items. Any student who is classed as financially disadvantaged, will receive all resources without any payment. If you are unsure, please contact the school.

For Year 11 only - In preparation for the Christmas PPE exam, we are setting 2 past papers per week for homework ( 6 papers for practice over the coming 3 weeks). These will be available on Show My Homework to download but, be warned, they are about 28 pages long. Alternatively, we will be asking our repro department to produce some printed copies and are charging £2 to cover costs of making a whole booklet with answers, so you may prefer to choose this option.

## **RESOURCES AVAILABLE ON PARENTPAY:**

### **Years 7, 8 and 9**

Collins KS3 all-in-one revision and practice. - Written by the same company that we use for text books and testing. This contains guides and information, quick tests on each page of notes, review questions for each topic, more exam-style revision sheets and then some mixed tests. £5 each – state STANDARD or ADVANCED

### **Years 10 and 11**

Revision Guides - notes, tips and examples of all the topics covered. Topics labelled 9 to 1 so you can see the level of difficulty. £3.50 each – state HIGHER or FOUNDATION

Workbooks - matches the revision guide for questions on each topic. Starts off with the basics and gradually gets more applied. £4 each – state HIGHER or FOUNDATION

Exam practice workbooks - exam style questions, again graded from 9 to 1 as a guide to difficulty. Write the answers on the book. Amount of marks awarded is stated so amount of working needed is implied. £3.50 each – state HIGHER or FOUNDATION

Or buy all 3 books for £10

**Year 11 set 1 only**

Revision Guide for AQA Further Maths £4 each

Exam Practice workbook for AQA Further Maths £4 each

**Year 11 only**

Bundle of past papers for 3 weeks' homework: These will be on Show My Homework so it is not necessary to buy them – it is only if it is more convenient for you for us to print them out. £2 for 6 papers and answers in a booklet

If you have any other questions, please contact me at [afurlong@suttonmail.org](mailto:afurlong@suttonmail.org)

Yours sincerely,

*A-M Furlong*
