

Outstanding Achievements by the 'Class of 2021' at The John Fisher School

The John Fisher School is pleased to report outstanding achievements by its students in their A-level results. 55% of all grades were equivalent to an A*/A grade, 79% were A*-B, 93% A*-C grades and 100% A*-E.

This year, following the cancellation of examinations, grades were awarded through a process of teacher assessed grades, against a national standard and approved and awarded by the examination boards. The government is not publishing performance data for any schools or colleges this year due to the varying impact of the pandemic.

Whilst there are many notable success stories amongst these results, special mention must be made of these students: Shaun B (5 A*'s) who will be studying Biomedical Sciences at Queen Mary University of London, Piotr B (4 A*'s, 1 A) who will study Theoretical Physics at King's College London, Luke B (3 A*'s, 1 A,) who will be studying Aeronautical Engineering with a placement year at Loughborough University, Nathan F (3 A*'s) who will be studying Computer Science at the University of Southampton and Daniel F (2 A*, 2 A's) who will be studying Biomedical Science at the University of Brighton. Other superb performances included Alex C (2 A*, 1 A) who will be studying Accounting and Finance at King's College London, Connor C (2 A*'s, 1 A) who will study Aerospace Engineering at the University of Nottingham, Dylan K (2A*'s, 1A) who will be studying Mechanical Engineering at the University of Warwick, Matteo D (2 A*'s, 1 A) who will study Physiotherapy at St. George's University of London, Kieran P (2A*'s, 1 A) who will be studying Marketing at the University of Southampton and Konrad G (2 A*'s, 1 A) who will be studying Medicine in Gdansk, Poland and Mario B (2A*'s, 1 A's) who will be remaining at The John Fisher School to support in the Science Department.

At Btec, the following students excelled: Oliver C, Alain A, Ari X, Callum M, Cian T, Jake M and Conor O. These academic qualifications are icing on the cake for Conor O who was recently selected for the Harlequins Rugby Union Senior Academy.

The school's Headteacher, Mr McCullagh, said: "We are extremely proud of all the work and achievements of our students, especially after such an extraordinary year. Our teachers and support staff members have worked tirelessly to ensure students are all able to progress onto further education, employment or training, and we are excited about what they can achieve in the future. It is important that we celebrate these achievements particularly under such difficult circumstances. It has been widely reported that the Class of 2021 have suffered more educational disruption than any other year group since the Second World War."

Prospective students are invited to attend the Sixth Form Open Evening on Thursday 4th November 2021 to find out why John Fisher could be the right school for them.
