

The John Fisher School Teachers' Pay Policy 2020-21

Responsible: Governors' Pay Committee

Review: September 2021

PURPOSE OF THE PAY POLICY

The John Fisher School believes that a fair, transparent and consistent pay policy which recognises and rewards teachers as highly skilled professionals, is a key element in effective school improvement.

This pay policy will help to recruit, retain and motivate teachers, provide the basis for sound financial and personnel planning and minimise the risk of grievance and discrimination. It is entirely consistent and compliant with the STPCD.

INTERPRETATION

References in this policy to the Governing Body should be taken to mean the relevant body to which the power to adopt the pay policy and take pay decisions has been delegated.

INTRODUCTION

1. This policy sets out the framework for making decisions on teachers' pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document (STPCD) and has been consulted on with the recognised trade unions. A copy of this policy will be sent to all staff and a copy of all relevant documents on pay and conditions will be made available to staff by the school.
2. In adopting this pay policy the aim is to:
 - assure the quality of teaching and learning at the school;
 - support recruitment and retention and reward teachers appropriately; and

- ensure accountability, transparency, objectivity and equality of opportunity¹.

3. The Governing Body will maintain teachers' previous pay entitlements in accordance with the principle of pay portability and ensure that teachers suffer no financial or professional detriment as a consequence of changes to the teachers' pay structure.
4. Pay decisions at this school are made by the Governing Body which has delegated certain responsibilities and decision-making powers to the Pay Committee as set out in Appendix One. The Pay Committee shall be responsible for the establishment and review of the pay policy, subject to the approval of the Governing Body, and shall have full authority to take pay decisions on behalf of the Governing Body in accordance with this policy. The Headteacher shall be responsible for advising the Pay Committee on its decisions.

PAY REVIEWS

5. The Governing Body will ensure that each teacher's salary is reviewed annually with effect from 1 September and that each teacher is notified of the outcome by no later than 31 October each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.
6. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.
7. Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Body will give the required notification as soon as possible and no later than one month after the date of the determination.

BASIC PAY DETERMINATION ON APPOINTMENT

8. The Governing Body will determine the pay range for a vacancy prior to advertising it. On appointment it will determine the starting salary within that range to be offered to the successful candidate.
9. In making such determinations, the Governing Body will apply the following policy:

¹¹¹ Including compliance with equalities legislation ie Employment Rights Act 1996, Employment Relations Act 1999, Employment Act 2002, Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002 and Equalities Act 2010/2012.

Classroom teacher posts

10. The Governing Body has established the following pay scales for classroom teacher posts paid on the Main Pay Range and Upper Pay Range.

MAIN PAY RANGE

	England (excl. the London Area)	Inner London Area	Outer London Area	Fringe Area
1 (minimum)	£25,714	£32,157	£29,915	£26,948
2	£27,600	£33,658	£31,604	£28,828
3	£29,664	£35,226	£33,383	£30,883
4	£31,778	£36,866	£35,264	£32,999
5	£34,100	£39,492	£38,052	£35,307
6 (maximum)	£36,961	£42,624	£41,136	£38,174

UPPER PAY RANGE

	England (excl. the London Area)	Inner London Area	Outer London Area	Fringe Area
1 (minimum)	£38,690	£46,971	£42,559	£39,864
2	£40,124	£49,279	£44,133	£41,295
3 (maximum)	£41,604	£50,935	£45,766	£42,780

11. The Governing Body undertakes that it will not restrict the pay range advertised for or starting salary and pay progression prospects available for classroom teacher posts, other than the minimum of the Main Pay Range and the maximum of the Upper Pay Range.

12. The Governing Body will apply the principle of pay portability in making pay determinations for all new appointees as follows:

(a) When determining the starting pay for a classroom teacher taking up their first appointment as a qualified classroom teacher, the Governing Body will pay the teacher on the Main Pay Range and will allocate pay scale points, as a minimum, on the following basis:

- one point for each one year of service as a qualified teacher in a maintained school, Academy, City Technology College or independent school;
- one point for each one year of service as a qualified teacher in higher education or further education including sixth form colleges, or in countries outside England and Wales in a school in the maintained sector of the country concerned
- one point for each three years of non-teaching experience spent working in a relevant area, including industrial or commercial training, time spent working in an occupation relevant to the teacher's work at the school, and experience with children/young people;

- one point for each three years of other remunerated or unremunerated experience including caring for children during a career break.

The Governing Body will also consider the allocation of additional scale points on the above basis to other teachers appointed to the Main or Upper Pay Ranges.

- (b) When determining the starting pay for a classroom teacher who has previously worked in an LA maintained school or academy in England and Wales, the Governing Body will pay the teacher on the Main Pay Range or Upper Pay Range at a scale point which at least maintains the teacher’s previous pay entitlement plus any pay progression which they would have received had they remained in their previous post.
- (c) The Governing Body will also pay classroom teachers who are “post-threshold teachers” as defined by the STPCD on the Upper Pay Range.

Leading Practitioner teacher posts

13. The Governing Body has established the following pay scale[s] for Leading Practitioner teacher posts paid on the Leading Practitioner Pay Range:

LEADING PRACTITIONER RANGE

	England (excl. the London Area)	Inner London Area	Outer London Area	Fringe Area
minimum	£42,402	£50,415	£45,766	£43,570
maximum	£64,461	£72,480	£67,828	£65,631

- 14. Such posts may be established for teachers whose primary purpose is the modelling and leading improvement of teaching skills, where those duties fall outside the criteria for the TLR payment structure.
- 15. When determining the pay scales for such posts, the Governing Body will do this by reference to the weight of the responsibilities of the post and bearing in mind the need to ensure pay equality where posts are equally onerous and fair pay relativities between posts of differing levels of responsibility.
- 16. The policy of the Governing Body is to appoint any new Leading Practitioner teacher at the bottom point of the pay range.

Unqualified teachers

17. The Governing Body has established the following pay scale for unqualified teachers employed in classroom teacher posts:

UNQUALIFIED TEACHERS

	England (excl. the London Area)	Inner London Area	Outer London Area	Fringe Area
1	£18,169	£22,849	£21,582	£19,363
2	£20,282	£24,962	£23,696	£21,473
3	£22,394	£27,075	£25,809	£23,587
4	£24,507	£29,187	£27,926	£25,699
5	£26,622	£31,298	£30,037	£27,812
6	£28,735	£33,410	£32,151	£29,924

Leadership teacher posts (Headteacher and Assistant Headteachers)

18. The pay ranges for the Headteacher and Assistant Headteacher[s] will be determined in accordance with the criteria specified in the STPCD and ensuring fair pay relativities.

18. The Governing Body has established the following pay ranges for the Headteacher and Assistant Headteacher[s]:
Headteacher pay range:
Leadership Scale: 34 - 40
Assistant Headteacher pay range
Leadership Scale: 14 - 20

19. Discretionary payments to the Headteacher will be determined in accordance with the provisions of the STPCD and will be reviewed annually.

20. The Governing Body will normally appoint new leadership teachers at the bottom point of the relevant pay range.

21. The Governing Body will pay teachers as Assistant Headteachers only where the Governing Body is satisfied that, in the context of the teacher's duties, the role includes a significant responsibility that is not required of all classroom teachers or TLR holders, and that the role –
 - (a) is focused on teaching and learning;
 - (b) requires the exercise of a teacher's professional skills and judgment;
 - (c) requires the teacher to lead and manage the school through:
 - development of teaching and learning priorities across the school;
 - accountability for the standards of achievement and behaviour of pupils across the school;
 - accountability for the planning and deployment of the school's resources;
 - leading policy development and implementation across the school in accordance with statutory provisions;
 - managing whole school operational activity;

- working with external bodies and agencies; and
 - securing pupils' access to their educational entitlements;
- (d) has an impact on the educational progress of the school's pupils;
- (e) involves leading, developing and enhancing the teaching practice of the school's staff; and
- (f) includes line management responsibility for a significant number of people and/or the line management of other line managers.

22. In the case of a Deputy Headteacher post, the Governing Body must also be satisfied that this significant responsibility features a job weight which exceeds that expected of an Assistant Headteacher employed in the same school, including responsibility for discharging in full the responsibilities of the Head in the absence of the Headteacher.

PAY PROGRESSION BASED ON PERFORMANCE

24. The arrangements for teacher appraisal are set out in the school's appraisal policy.
25. Decisions regarding pay progression will be made with reference to the teachers' appraisal reports and the pay recommendations they contain. In the case of NQTs, pay decisions will be made by means of the statutory induction process.
26. To be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.
27. The evidence used will be only that available through the appraisal process.
28. Where teachers have joined the school part way through an appraisal cycle, the Governing Body will, where necessary, seek evidence from the previous schools to assist pay decisions and will only, where necessary, seek evidence from the teachers themselves.
29. Teachers' appraisal reports will contain pay recommendations. Final decisions about whether or not to accept a pay recommendation will be made by the Governing Body, having regard to the appraisal report and taking into account advice from the Senior Leadership Team.
30. The Governing Body will ensure that appropriate funding is allocated for pay progression for all eligible teachers.
31. All teachers can expect progression to the top of their pay range as a result of successful appraisal reviews.

32. The Governing Body will make pay decisions according to the criteria for progression set out in the STPCD.

Classroom teachers on the Main Pay Range

33. Classroom teachers will be awarded pay progression on the Main Pay Range following each successful appraisal review. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school by the conclusion of that process.
34. Classroom teachers in their induction year will be awarded pay progression on the successful completion of induction.

Classroom teachers on the Upper Pay Range

35. Classroom teachers will be awarded pay progression on the Upper Pay Range following two successful appraisal reviews. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school by the conclusion of that process.

Leading Practitioner teachers

36. Leading Practitioner teachers will be awarded pay progression on their pay scales following each successful appraisal review. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school by the conclusion of that process.

Unqualified classroom teachers

37. Unqualified classroom teachers will be awarded pay progression on their pay scale following each successful appraisal review. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school by the conclusion of that process.

Leadership teachers (Headteacher and Assistant Headteachers)

38. The Headteacher and Assistant Headteacher(s) will be awarded additional scale points in accordance with the provisions of the STPCD, ie they must demonstrate sustained high quality of performance in respect of school leadership and management and pupil progress.

MOVEMENT TO THE UPPER PAY RANGE

Applications and Evidence

39. Any qualified teacher may apply to be paid on the Upper Pay Range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the Upper Pay Range.
40. The Headteacher will notify all teachers on Scale Points 5 and 6 of the Main Pay Range at the start of each school year of their eligibility to apply for assessment.
41. Applications may be made once a year. Where teachers wish to be assessed, they should notify their appraiser in writing using the application form (as at Appendix Three) which should be submitted by the teacher to the appraiser at the appraisal planning meeting. The teacher's application will be appended to their appraisal planning statement.
42. The evidence to be used will be only that available through the appraisal process.
43. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the Upper Pay Range in that school or schools. This school will not be bound by any pay decision made by another school.

The Assessment

44. An application from a qualified teacher will be successful where the Governing Body is satisfied that:
 - (a) the teacher is highly competent in all elements of the relevant standards; and
 - (b) the teacher's achievements and contribution to the school are substantial and sustained.
45. For the purposes of this pay policy, the Governing Body will be satisfied that the teacher has met the expectations for progression to the Upper Pay Range where the Upper Pay Range criteria (see Appendix Four) have been satisfied as evidenced by no more than two successful appraisal reviews.
46. In making its decision, the Governing Body will have regard to the most recent appraisal review or, at most, the two most recent appraisal reviews. Reviews will be deemed to be successful unless significant concerns about standards of performance have been raised in writing with the teacher during the annual appraisal cycle and have not been sufficiently addressed through support provided by the school by the conclusion of that process.

Processes and procedures

47. The assessment will be made within 10 working days of receipt of the application or the conclusion of the appraisal process, whichever is later. If successful, applicants will move to the Upper Pay Range from the previous 1 September and will be placed on point 1a of that pay scale. If unsuccessful, feedback will be provided by the Headteacher as soon as possible and at least within 5 working days of the decision; and will cover the reasons for the decision and the appeals arrangements available to the teacher. Any appeal against a decision not to move the teacher to the Upper Pay Range will be heard under the school's general appeals arrangements.

PART-TIME TEACHERS

48. Teachers employed on an ongoing basis at the school but who work less than a full working week are deemed to be part-time. The Governing Body will give them a written statement detailing their working time obligations and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the school's timetabled teaching week for a full-time teacher in an equivalent post. Any additional hours worked by agreement from time to time will be paid at the same rate.

SHORT NOTICE/SUPPLY TEACHERS

49. Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro rata.

50. Teachers who are employed to teach for the full pupil day will be paid at a daily rate of 1/195th of the annual pay they would receive if engaged on a regular contract. Teachers who work less than a full day will be hourly paid and will also have their salary calculated as an annual amount which will then be divided by 195 then divided again by the proportion of the full pupil day which they teach to arrive at the hourly rate.

PAY INCREASES ARISING FROM CHANGES TO THE STPCD

51. The school will consider any pay increases proposed for September 2018.

DISCRETIONARY ALLOWANCES AND PAYMENTS

52. The Governing Body pays TLR payments to teachers as indicated in the attached staffing structure, in accordance with the pay ranges specified in the STPCD as updated from time to time and the following levels and values will apply:

53. The criteria for the award of TLR 1 and TLR 2 payments are as follows:

Before awarding any TLR 1 or TLR 2 payment, the Governing Body must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- a. is focused on teaching and learning;
- b. requires the exercise of a teacher's professional skills and judgement;
- c. requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d. has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- e. involves leading, developing and enhancing the teaching practice of other staff.

54. In addition, before awarding a TLR 1 payment, the Governing Body must be satisfied that the significant responsibility referred to above includes line management responsibility for a significant number of people.

55. Teachers will not be required to undertake permanent additional responsibilities without payment of an appropriate permanent TLR 1 or TLR 2 payment.

56. Before making any TLR 3 payment, the Governing Body must be satisfied that the responsibilities meet a, b and d of the above criteria; that they are being awarded for clearly time limited school improvement projects or externally driven responsibilities; and that the responsibilities are not a permanent or structural requirement which should instead be rewarded by means of a permanent TLR payment.

57. Where the Governing Body wishes to make TLR 3 payments, the proposed responsibilities, level of payment (within the published range of £523 and £2,603) and the duration of payment will be set out clearly and subject to consultation with union representatives.

58. The Governing Body will ensure that the use of TLR 3 applies only to clearly time limited school improvement projects or one-off externally driven responsibilities and

where there is a genuine development or operational need. TLR 3 payments will not be used to replace or otherwise limit teachers' pay progression on the Main, Upper or Leading Practitioner Pay Ranges.

Acting allowances

61. Where any teacher is required to act as Headteacher or Assistant Headteacher for a period in excess of four weeks, s/he will receive an additional allowance in order that the total pay received is equal to that of the substantive post holder.
62. Payments will be backdated to the day on which the teacher assumed those duties. No pressure, direct or indirect, will be placed on teachers to act up where such acting up is voluntary on their part.

OTHER PAYMENTS

Continuing professional development (CPD) outside directed time; initial teacher training (ITT) activities; and out-of-school learning activities

63. The Governing Body will make additional payments to all teachers (including the Headteacher) who agree to undertake such activities. Additional payments will be calculated at a daily or hourly rate with reference to each teacher's actual pay spine position or, where appropriate and following consideration by the Pay Committee, at a higher level reflecting the responsibility and size of commitment.
64. The Governing Body recognises that such activities are entirely voluntary and that some teachers' commitments will make it difficult for them to undertake such activities. Where teachers cannot attend CPD organised outside the school day, the school will endeavour to offer suitable alternative training arrangements within directed time in line with its commitment to equal opportunities.

Recruitment and retention incentives and benefits

65. Where the Governing Body wishes to make recruitment and retention payments to teachers, the level, duration and criteria for such payments will be set out clearly in this policy. Such payments will be reviewed annually and there will be full consultation with union representatives before the decision is made to make any such payment.

Honoraria

66. The Governing Body will not pay any honoraria to any member of the teaching staff for carrying out their professional duties as a teacher, recognising that there is no provision within the STPCD for the payment of bonuses or honoraria in any circumstances.

SAFEGUARDING

67. The Governing Body will operate salary safeguarding arrangements in line with the provisions of the 2016 STPCD.

APPEALS

68. The arrangements for considering appeals on pay determination are set out in Appendix 2 of this policy.

MONITORING THE IMPACT OF THE POLICY

69. The Governing Body will monitor the outcomes and impact of this policy on a regular basis in conjunction with union representatives. An annual written report on the operation of the pay policy, recording pay decisions taken and equality impact, will be provided to union representatives, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation.

APPENDIX ONE REMIT FOR THE PAY COMMITTEE OF THE GOVERNING BODY

The Pay Committee will comprise at least three Governors. APPENDIX TWO PAY APPEALS PROCEDURE

The Governing Body is committed to ensuring that appeals against pay decisions meet the requirements of the dispute resolution provisions of employment law.²

The process set out below is consistent with the dispute resolution provisions of employment law and may be adopted by the school as the means by which appeals against pay decisions are considered.

² See www.acas.org.uk/index.aspx?articleid=2174

Teachers may seek a review of any determination in relation to their pay or any other decision taken by the Governing Body (or a committee or individual acting with delegated authority) that affects their pay.

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination:

That the person or committee by whom the decision was made:

- a) incorrectly applied any provision of the STPCD;
- b) failed to have proper regard for statutory guidance;
- c) failed to take proper account of relevant evidence;
- d) took account of irrelevant or inaccurate evidence;
- e) was biased; or
- f) otherwise unlawfully discriminated against the teacher.

The order of proceedings is as follows:

1. The teacher receives written confirmation of the pay determination and where applicable the basis on which the decision was made.
2. If the teacher is not satisfied, he/she should seek to resolve this by discussing the matter informally with the decision-maker within ten working days of the decision.
3. Where this is not possible, or where the teacher continues to be dissatisfied, he/she may follow a formal appeal process.
4. The teacher should set down in writing the grounds for questioning the pay decision and send it to the person (or committee) who made the determination, within ten working days of the notification of the decision being appealed against or of the outcome of the discussion referred to above.
5. The committee or person who made the determination should provide a hearing, within ten working days of receipt of the written appeal, to consider the appeal and give the teacher an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal.
6. Any appeal should be heard by a panel of three Governors who were not involved in the original determination, normally within 20 working days of the receipt of the written appeal notification. The teacher will be given the opportunity to make representations in person. The decision of the appeal panel will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision.

For any formal meeting the teacher is entitled to be accompanied by a colleague or union representative. Each step and action of this process must be taken without unreasonable delay.
