Full-time | Permanent | September 2026 start

The John Fisher School is seeking to appoint an outstanding Teacher of History to join our successful and ambitious History Department from September 2026.

This is an exciting opportunity to join a school with a strong academic tradition, a distinctive Catholic ethos, and a clear vision for the future. History is a highly valued subject within the school, with strong uptake at GCSE and A Level, and a curriculum that emphasises scholarship, disciplinary rigour, and a deep understanding of the past.

At The John Fisher School, we believe in a “low-tech, high-text” approach to learning, rooted in reading, writing and academic conversation. We are committed to developing articulate, thoughtful young men with a strong sense of moral purpose and intellectual curiosity.

We are looking for a teacher who:

- Has a strong academic background in History
- Is passionate about the subject and committed to excellence in the classroom
- Can teach across Key Stages 3 and 4 (and ideally A Level)
- Has high expectations of all pupils and is committed to helping them succeed
- Is willing to contribute to the wider life of the school, including co-curricular activities

We offer:

- A supportive and highly collegial working environment
- Motivated, well-behaved pupils who are keen to learn
- A strong culture of professional development and career progression
- The opportunity to contribute to a developing and ambitious curriculum
- A school community rooted in strong values and a clear sense of purpose

The John Fisher School is a highly successful Catholic boys' school with a long-standing reputation for academic excellence, pastoral care and co-curricular strength, particularly in sport and music.

Applications are welcome from both experienced teachers and well-qualified ECTs.
