

Term: One
 Year group: Eleven
 Subject: History
 Topic: Warfare and British Society

History 'Home Learning'

This task menu shows what the students will be doing for each homework. The homework is based on the exam questions the students will be getting the different papers they will sit at GCSE. Completing these tasks will enable students to get feedback and make the appropriate improvement ready for formal assessments.

Home learning activity	Instructions	Support strategies
Explain one similarity or difference (4 marks) Question	The students have to outline either one similarity or difference of the subject of the question. An example could be asking what is different between recruitment in 1250 and 1500. The students will need to provide one difference with an example and explanation of the difference.	<ul style="list-style-type: none"> - Classwork folders to be used - How to answer videos on Google Classroom - Model answers to help you with structure - Revision booklets on Google Classroom
Explain (12 marks) Question	The students will be asked to explain how war affected something in a specific era. In this case 1250-1500. They will be given two prompts within the question and they will need to come up with a third of their own. They must not just recall the effects on civilians but explain how they were affected differently.	<ul style="list-style-type: none"> - Classwork folders to be used - How to answer videos on Google Classroom - Model answers to help you with structure - Revision booklets on Google Classroom
Judgement 'The main reason for X was Y. Do you agree? (20 marks) question	The students will be asked to make a judgment on the assertion put forward by a question. This could be a reason for the outcome of a battle or the introduction of a new weapon or strategy and the impact of warfare during that period	<ul style="list-style-type: none"> - Classwork folders to be used for contextual knowledge - How to answer videos on Google Classroom - Model answers to help you with structure - Revision booklets on Google classroom
