

**Term:** One

**Year group:** Eight

**Subject:** Science

**Topic:** 3.2 Our Health and the effect of Drugs, 2.3 Explaining Physical Change, 2.6 Exploring Magnetism and Electricity

# Science 'Home Learning'

Your Son will be taught 3 topics this term. The topics are taught in rotation. Each Topic has a home learning booklet with plenty of support and tasks in it. Each class will be set a category from the same category eg a literacy task, revision task but the content will be dependant on the topic students are on and which task is best for the class.
